

## Changes to the SCOOP

This is Alejandro. Last year we welcomed our second daughter – it turns out that two young kids is not double the work.... Regretfully, I need to step down as SCOOP Editor for the immediate future. Denise and Gary and the HOA Board have done an excellent job preparing articles for the SCOOP – and I have set up a streamlined email process with the new directory. The job is pretty straightforward but needs someone who can prioritize sending it out on time.

## Irrigation System Test

For those with irrigation systems, it will soon be time to have your backflow prevention device tested. This is an annual requirement by the city of Lee's Summit. The test must be conducted by a licensed technician. Garry Brooks has agreed to perform the test and file the required results for a charge of \$40. He also offers a service to turn on and adjust heads for \$25.

To schedule your test with Garry contact him at 816-457-2741.

You are not required to use his service. There are a number of other licensed technicians in the area.

## Savannah Ridge Annual Egg Hunt

The Savannah Ridge Annual Egg Hunt, in honor of Rose Scanlon, is being held at 1:00 pm on Saturday, March 23rd, at 1404 NE Piedmont Drive. There will be an egg hunt, pinata, snacks, and drinks. Everyone is asked to bring 12 filled plastic eggs, per child. If you have any questions, call Denise Hull at 641-799-0286.

## Architectural Review Committee (ARC) News

Spring is just around the corner and it's a perfect time to spruce up your yard. Pruning dead branches, applying weed control, and a general cleanup can make a big difference in the appearance of your yard.

The ARC committee will be making our annual spring review of homes & yards. Issues of concern will be discussed with the individual homeowner.

We require submission of an "Application for Project Approval" form if you are making any exterior improvements/changes to your home, e.g., painting, fencing, building additions. The completed form should be sent to our email address: [srhoa-board@srhoa.net](mailto:srhoa-board@srhoa.net). Contact Gary Chullino @ 816-719-1112 if you have any questions.

## Board & ARC Resignation

Joe Fennesy is stepping down as a Board member and the ARC Committee Chairperson. He will continue to serve as the interim Treasurer, working with Creighton Miles, who will take his place. Joe has been a mainstay for the neighborhood and the Savannah Ridge HOA. He has served as President, Vice-President, Secretary and Treasurer. We appreciate Joe's years of service on the Board and the ARC Committee. We are indebted to him for his years of hard work, and dedication in making Savannah Ridge a great place to live. The Board elected Dennis Hensen to fill the vacancy on the board. Thank you Joe & Dennis.

## Pet Reminder

Lee's Summit ordinances require pets to be on a leash when you are walking them. They are not permitted to deposit fecal matter on the property of other homeowners, and pet owners are required to immediately clean up the waste.

## Committee Involvement

The Board encourages homeowners to become involved in our neighborhood activities. Help is needed on all committees. The time involved is minimal. We encourage you to review the committee guidelines found on our website: [www.srhoa.net](http://www.srhoa.net). If you would like to volunteer or if you have questions, please contact the Board @ [srhoa-board@srhoa.net](mailto:srhoa-board@srhoa.net) and we will respond to your inquiry.

## New Neighbors

Please give a warm welcome to our new neighbors Scott and Danielle Baumgartner. They reside at 4236 NE Suwannee Drive. Welcome to Savannah Ridge!
