BLOCK CAPTAINS

A – Heidi Tanner

B – Denise Hull

C – Kathy Rogers

D – Scott Barker

E – Barb Legate

F – Lou Ellen Higgins

G – Laura Roberts

H – Taylor Harrison

I – Rose Scanlon

J – Sharon Scott Johnson

K – Brian Graham

L – Kerry Knepper

M – Wendy Greashaber

BOARD NEWS

Important reminders as we are continuing to receive many complaints from neighbors. We would like our neighbors to be cautious of the following:

- speeding through our neighborhood
- not stopping at stop signs
- racing down Georgian Dr
- parking in the street at night
- blocking mailboxes by parking in front of the boxes

The Board has sent an email to Dalton Ridge's HOA President to see if they can message their neighborhood since they go down Georgian Drive to get to their homes. We are also trying to get in touch with the Monticello neighborhood HOA to send the same message.

ARC NEWS

Yard Waste Reminder: General yard waste is meant for grass, leaves, small branches and limbs. Yard waste needs to either be placed in the brown yard waste compost bags or bundled together in 3 foot x 3 foot bundles. The bundles need to be tied together with twine or duct tape.

Here is a simple checklist to help you ensure you have the best-looking yard you can:

1. Prune away any dead and damaged tree or shrub branches. Sometimes the cold, snow and wind will damage them so if you trim them back to where you see live stems to encourage new growth.
2. Cut back and divide perennials such as rose bushes, ornamental grasses, flowering perennials, etc. Dig up and thin things like daylilies and hostas to thin crowded beds. When doing this make sure you leave at least three stems per clump and transplant them to fill in any sparse areas. A pair of sharp bypass pruners makes a clean cut on both dead and living foliage.
3. Clean up around your plants by raking out fallen leaves and dead foliage which can smother plants and foster disease. Pull up spent annuals and toss them with other organic waste. Once the threat of frost is gone remove any old mulch and replace with a new layer once your spring planting is done.
4. Preventing crabgrass is much easier and more effective than trying to control or kill it after it is established. Now is the time to apply crabgrass preventer.
5. Prep any damaged lawn areas for Spring seeding by removing the damaged turf with a square metal rake, then flip it over to spread some compost into the soil. This will help keep the seeding area moist. You can begin seeding once any threat of frost is over.
6. Neaten up your hardscape surfaces by power washing sidewalks, patios, and driveways to remove any algae or leaf stains. Refill joints between flagstones or pavers by sweeping in fresh sand or small stones depending on your area. Then hose that area down to ensure the new filler is set.
7. Patch or replace any badly rotted or damaged pickets, boards, or lattice. Power wash your fencing if it has become covered in algae or dirt to ensure it looks fresh once again. Make sure you are checking for wobbly fence posts as well and replace as needed.

EASTER EGG HUNT

The Board would like to recognize and thank the Scanlon Family and their neighbors for another successful Easter egg hunt. The children had a blast. We appreciate the annual event!

POOL OPENING

The pool is scheduled to open on Saturday, May 25th. Please adhere to the pool rules and do your part to keep the pool area safe and clean. Also, if you want to host a party at the pool, please remember to schedule it with Pool Committee Chairman Shawn Geib.

POOL ACCESS - Passcards are required to access the pool. If you're a new neighbor and were not provided one or you're an existing homeowner and have lost yours, contact Gary Chullino (cell/text 816-719-1112) or email: chullino@sbcglobal.net. There's a \$25 fee for lost cards.

SPRING GARAGE SALE

Our spring garage sale will be held June 6-8. We will advertise in the Examiner and Journal. Feel free to post your own signs. Email any questions to wgreashaber@gmail.com. Use this opportunity to get rid of clutter around the house and make a few bucks too.

SUMMER PICNIC/POOL PARTY

Mark your calendars as the Savannah Ridge annual picnic at the pool. The party will be held later in the summer. The tentative date will be Saturday, August 17TH. Stay tuned for further details.

BUNCO

We had the best time at the last Bunco party! The delicious chicken and waffles breakfast had the most amazing gourmet waffles that included every topping imaginable. We also had an endless array of breakfast sides. This meal has go to be tied with being one of the best in our Bunco history. Thank you, Kimberly Christianson and Jennifer Graham for hosting such a fun night out. The winners for the night were Shea Ham, Chelsey Wells and Laurie Bloom, Laurie Bloom and Laurie Bloom. Yes, Laurie won most of the prizes!

Want to eat wonderful food and win great prizes? Then join us at the next Bunco night out on Monday, May 20th at 6:30pm. The hosts are Tiffany Davis and Shea Ham. Shea's address is 4237 NE Suwannee. RSVP at 913-406-7677 or sbuta4@gmail.com. The theme is Fiesta! Remember your side dish and \$5.
