### **IRRIGATION SYSTEMS BLOW OUT**

Montgomery Irrigation has agreed to a fee of \$40 to blow out irrigation systems this fall. Members can sign up at the Annual Meeting or by responding to the E-mail sent by the Board.

### **BIG THANKS**

A BIG THANKS TO Joe Fennesy for installing permanent lighting for the monuments at the entrance of our subdivision. He spent several days making a number of other electrical modifications that will be a big help in the future.

### **FALL LAWN RENOVATION REMINDER**

Several lawns in the neighborhood are in need of attention and now is the time to plan for fall renovation. Late Aug/early Sept is the ideal time to verti-cut and overseed lawns. When accompanied by proper fertilization and water, the results can be stunning. In some cases, undesirable grasses and weeds should be killed with some form of weed killer prior to seeding. There are many new weed killers on the market now so ask your lawn care provider or garden center for help. For those able, this is a good DIY project. Otherwise, many lawn care companies will be happy to do it for a reasonable one-time fee. If any homeowner has questions, please don't hesitate to contact the Board or the Architecture Review Committee.

### **POOL CLOSING**

The pool will be closed following the Labor Day Holiday Weekend. The last official day for using the pool will be Monday, September 2nd.

### **TRASH SCHEDULE**

Labor Day is Monday, September 2nd – all trash days will be delayed one day.

## SUMMER PICNIC AT THE POOL

We would like to give a huge "Thank You" to our Activities Committee; Amy Lane, Jennifer Graham, Laurie Bloom and Kimberly Christianson for coordinating another fun and successful summer party at the pool. Congratulations to David Day who won the Price Chopper gift card raffle.

## FALL GARAGE SALE

Our Fall Garage Sale will be Thursday, September 26 to Saturday, September 28th. We will advertise in the Journal and Examiner and place our large banner at the entrance. Feel free to use your own signs as well. Contact Cindy Goldschmidt with any questions. 618-660-6619

## NEIGHBORHOOD WATCH

Thank you to Cindy Goldschmidt for volunteering to take over the Neighborhood Watch position. We so appreciate the hard work that Wendy Greashaber put into this position for the past couple years.

## BUNCO

Our subdivision has a lady's night out group that meets every other month to play Bunco. Bunco is a socializing game that brings women together to visit with each other, to eat and to play a fun dice game. We have been playing for 16 years and we are still going strong. Getting to know our neighbors is the purpose of the group and we would love to have every woman in the subdivision join us so we can meet them. We had the joy of meeting Teresa Waller at our last game night. The last Bunco night was hosted by Lauren Ray and Lena Towler. Thank you both for the great BBQ and fun. The winners for the night were Kimberly Christianson, Lena Towler, Rose Scanlon, Teresa Waller, Kerry Knepper, Andrea Bonadonna, Amy Lane and Amy Werner.

Please join us at our next Bunco Night on Monday, September 9 at 6:30 pm. It will be hosted by Janet Simonitsch at 4208 NE Kennesaw Ridge. RSVP at [janet@haskett.org](mailto:janet@haskett.org) or 816-795-5077. Her theme is Football.

For those of you contemplating joining us but are unsure about what to do, you need to RSVP to the host, first of all. Bunco is played with exact numbers so it is very important that the host knows how many are attending. Secondly, sign up to take a side dish. You will be sent a sign up list after you RSVP so that you know what the main dish is and get ideas on what to take. Lastly, take \$5. It will be put in a pot and given back as cash prizes to winners. No skill is needed to play.

This newsletter is a vehicle to facilitate getting to know our residents. Please forward any news that you feel our fellow neighbors should be made aware of. Let's make this a special community that we are all proud to live in. Forward anything to [srhoa-board@srhoa.net](mailto:srhoa-board@srhoa.net). Please utilize the website as it is the best resource for our neighborhood. SRHOA.net is the web address.
