BOARD NEWS

Pool repair is complete and paid for, pool looks beautiful. The grinder pump at the pool did go out last week and we had to replace this as well.

The Board has received two calls from concerned residents regarding illegal shooting and illegal fireworks. They are concerned about everyone's safety and ask residents to be safe and considerate of their neighbors as they are enjoying the holiday. Please see the information from the LS Fire Department:

When can fireworks be discharged?

July 3 | 10 a.m. – 11 p.m.
July 4 | 10 a.m. – midnight
July 5 | 10 a.m. – 11 p.m.

Are permits required?

A [2021 Fireworks](#) (one per household) is required to shoot fireworks within the City limits. Permits are free and can be obtained at approved consumer firework tents or at City Hall.

BUNCO

We are finally getting back to playing Bunco! Our first game will be on Monday, July 12, at 6:30pm at Janet Simonitsch's home. She will be sending an email soon with more information so you can RSVP. Other game play updates will be discussed that night

- Bunco will be every other month, on the Monday of the host's choosing, at 6:30pm.
- Cost will be \$5 for now.
- We will start play with 12 players. If we have more than 12 sign up, they will be placed on a "holding" list until we get at least 15 players for another table (preferably 16, but we can play with a ghost if needed), or they can be used to fill in if someone cancels.
- Masks will not be required. Feel free to wear one if you wish.
- Remember that Bunco takes a specific number of players to play, so cancelling at the last-minute puts added stress on the host to find a sub. Also, please invite your neighbors to play. We love having new guests. Email lenatowler@comcast.net with any questions.
